

Amazon lithium battery label

Do I need a label for lithium ion batteries?

If you're shipping lithium ion batteries contained in or packed with equipment, use a battery label with UN3481. Lithium metal batteries will use labels with one of the following UN numbers: If you're shipping lithium metal batteries as a standalone (no other items in the package), use a battery label with UN3090.

What is a lithium battery label?

Labels are printed with the letters 'UN' and a 4-digit number. Think of it like a special code. These numbers clarify 2 types of crucial information: the lithium battery type and packaging method. Packaging method refers to how the lithium batteries are being shipped. This can be done in 3 ways:

Why should I use a lithium-ion battery label?

INTERNATIONAL REGULATION COMPLIANCE: Use these lithium-ion battery labels to comply with the D.O.T., I.A.T.A., and I.C.A.O. regulations for shipping potentially hazardous or flammable equipment in the mail. Our labels make it easy to follow regulations. SEMI-GLOSS PAPER: Our rectangle labels are made with semi-gloss paper and eco-friendly ink.
