Watch: Deputy Secretary of State Richard Verma on Increasing American Diplomatic Power. Deputy Secretary of State Richard R. Verma joined Eric Rosenbach to discuss the significant progress made under Secretary of State Antony Blinken's Modernization Agenda over the last three years, and on the reinvigoration of American diplomatic leadership around ...

3 days ago· And contrary to widespread assumption, American power is not diminishing. The argument on America's decline has a long lineage and dates back to the mid-19th century, when Karl Marx posited that capitalism's inherent contradictions would lead to its collapse. Founder of the Soviet Union Vladimir Lenin argued that imperialism, as the higher ...

We represent public power before the federal government to protect the interests of the more than 49 million people that public power utilities serve, and the 93,000 people they employ. The Association advocates and advises on electricity policy, technology, trends, training, and operations.
