For the first 22 years of its existence the company operated under the name Bell Detroit Diesel and distributed GM Detroit Diesel engines and Allison transmissions throughout southern New England.

-- MTS Power Systems ? ? ? ? ? I attended the Tier 3 training at Bell Power. Tim Stevens was an excellent instructor that went above and beyond to ensure that we left the class with as much knowledge as possible. The training is going to be a huge asset to our company with the introduction of the new Tier technology.
