I often see questions about Lithium batteries, so I decided to post an update to last year. I did a quick review of the new 36 Volt Minn Kota Quest motor when it first came out with an Epoch 36V 100ah battery last year. It was November and it was your typical 3s with 15-20mph wind Gulf Chop. We did two separate trips with a typical load and 3 guys.

Up to 5.6% cash back; This 36 Volt battery package combines three of our award winning DL 100Ah batteries in series, giving you the power to fish from morning to night. ...

Best 36 volt lithium marine battery

West Marine offers three different types of batteries: Starting, deep cycle and dual-purpose. Each of these battery types is offered with a choice of battery chemistries, which are flooded lead acid, gel, AGM (Absorbed Glass Matt) and most recently, Lithium Iron Phosphate. When choosing a battery, first consider how the battery will be used.

With an Ionic lithium marine battery, you pay more initially. But that cost will save you a lot in the long run. Here's how. Compared to a lead-acid battery, a lithium marine battery usually lasts 2-4x longer (up to 10x longer). You can recharge a lead-acid battery about 300 to 400 times. If you're using it daily, it should last you around ...
