How do I choose the best solar company in Dallas?

To help you find the ideal team, we've compiled a list of the top solar companies in Dallas. Prior to picking an installer, ask others for recommendations, evaluate potential installers and obtain multiple quotes to identify the right company for you. You can pick a local Dallas solar company or use a well-known national brand.

What are the best Solar Lease companies in Dallas?

Plus, SunPower guarantees the energy output from the system you lease, which is an additional protection that other companies don't always provide. Sunrun is another big name you'll likely come across when researching solar leases in Dallas.

Is Dallas a good place to get solar power?

With a population of 1.3 million, Dallas has a higher cost of living than the national average, which means you may pay more for a local service here than you would in a more remote area. However, this is not always the case, as regions with more sunny days than others can offer a wider range of solar opportunities.

How much does solar cost in Dallas TX?

The average price per watt of solar power in Dallas, TX is \$2.07/W. These prices are before incentives. After the federal solar tax credit, the final cost will drop by 30%, down to \$19,295 for a 13.29 kW system. Many states even offer local rebates and incentives that lower the price further--sometimes by thousands of dollars.
