Rebuild Service for a Craftsman® 900.98026 battery pack. For the cost of this service, we will open your battery pack, replace all cells, test, and reassemble. Cases, connectors, and circuit boards are re-used and are not replaced or serviced. The performance of our battery packs is equal to or better than that of a brand new battery from the OEM but at a fraction of the cost.

Hart Tools are compatible with two main battery lines: the 20V and 40V series. Any Hart 20V battery is compatible with all Hart 20V tools; the same rule applies to the 40V series. Lithium-Ion is the preferred battery type for Hart tools, offering high-quality power, lightweight design, and long-lasting charge. Now that we have gone through the ...
