

Deltran lithium battery review

Shorai Lithium Ion or Deltran Lithium Iron both as light as a ping pong ball and 1/3 the size of standard flooded I have Shorais dated 2011 and older that still work perfectly and I once had a Shorai that started my personal TW for 4 years through harsh Seattle winters the bike started every time and never was on a battery charger in the 4 years I owned it !

Boost your vehicle's battery life with our top-selling Junior automatic battery charger for motorcycles, dirt bikes, ATVs, UTVs, lawnmowers, and more! Deltran Lithium Motorcycle Battery. Deltran battery Tenders line of LiFePO4 engine start batteries are designed to replace standard lead acid based batteries in power sport applications. The Deltran lithium motorcycle line is designed to fit multiple wiring configurations through its unique quad terminal setup. Advantages of the Deltran Lithium ...

I upgraded the battery on my spyder to a lithium battery. It is \$230 but is extremely lightweight (I thought the box was empty) and is about 1/3 the size. It last 4x longer than lead acid batteries also. If you buy one, it comes with foam spacers. Use 2 thick spacers on the bottom and 1 thick spacer on the top of the battery. Also, keep the RED plastic cover for the + side and cut the ...
