What Is The Worst Thing About The Goal Zero Yeti Power Stations? I would argue that the worst thing about the Yeti lithium power stations is that it has a battery you can't replace on your own with ease. It is possible with the non-lithium Yeti 150 and Yeti 1250, but I wish the lithium models had user-replaceable batteries.

Be ready to go at a moment's notice with our most packable and portable emergency power kit, the Goal Zero Yeti 200X + Nomad 50 Solar Generator.
