What are the best men's shoes on a budget?

Check out its hiking and worker-inspired boots and slick office shoes for good examples of what it does. The retailer is also a good port of call for other other budget shoe brands (as well as budget sneaker brands) such as Clarks, Base London and Lacoste. These are the best men's shoe brands for those on a budget.

What is the best brand of sneakers in the world?

Though they specialize in dress shoes, Myqvist is also one of the best sneaker brands in the world, thanks to its elegant designs. This brand should be your first port of call for all things fancy sneakers.

Which shoes are the most affordable?

Surprisingly, it's the most iconic designs that are the most affordable - a great addition to summertime preppy outfits. Birkenstocks have been everywhere in recent years, its iconic two-strap Arizona sandals becoming an essential summer shoe after years in the fashion wilderness.

Are H&M shoes expensive?

Arguably the world's most recognised fast-fashion brand, Sweden's H&M does budget shoes by the boat-load. You'll have change from \$40/£16.40 for everything from penny loafers and chunky Derbies to Chelsea boots and leather sandals. As well as evergreen styles, you'll also find more trending versions of classic shoes, such as commando-soled loafers.

Who are the Good Guys of the shoe market?

The good guys of the shoe market, in other words. Here's a rare thing: a British heritage shoemaker, founded in the 1800s, whose modern designs don't cost multiple hundreds. Jones (a London brand rather than a Northamptonshire one) produces elegant footwear on the smart end of the spectrum.

How do I choose a good shoe brand?

Another way to go is to look at good-value footwear brands, who marry good construction with good design. Think Dr. Martens or Clarks Originals, who do specific styles particularly well (often better than anyone else). This way, you tend to get a lot of shoe for your money even if you pay a little more.

Our Reviews of Men's Dress Shoes, \$100 to \$300. First, a few notes. We didn't consider shoes from brands like Cole Haan, Johnston & Murphy, or Florsheim; not only are they of too low a level of quality from what we've seen, but their discount level prices often reflect this. As the saying goes, you get what you pay for! We also reached out to Thursday Boots, Charles ...
