

## Milwaukee 14 4 lithium ion battery

I would assume the Milwaukee tools would work that way. I started with 19.2V Craftsman cordless tools years ago, have no idea how many ni-cad battery packs I've recycled, but bought a replacement Lithium-ion battery pack and charger and now use them unless it's really really cold, Li-ion don't like to be cold.

Powering the 0719 is the revolutionary 28 Volt LITHIUM-ION battery pack, exclusively from Milwaukee. The 28 Volt battery pack delivers two times the run-time as most 18V products, making this the ideal solution in cordless reciprocating saws. The battery is positioned so that it does not interfere with plunge cutting capabilities.
