Sol began as an inspired idea - to create a world-class, energy company managed and operated by a highly motivated and dedicated Caribbean-based team. Our main goal is to power the region with reliable and safe solutions. The world was first introduced to the Sol brand in 2005, when the company was born and the Sol logo was unveiled.

It is anticipated that Sol-Millennium Medical Group or its affiliates ("Sol-M") will purchase that number of Convertible Debentures that, if and when converted into Units, would result in Sol-M holding greater than 20% of the then issued and outstanding Common Shares thereby making Sol-M a new Control Person (as defined in the policies of the ...
