Eco-Worthy offers off grid solar solutions which includes LiFePO4 lithium battery, solar panel and solar panel kits, mounting brackets and other accessories. We aim to provide high-quality off grid solar power solutions at an affordable price.

Selling solar kits without batteries and inverters can significantly reduce the retailer's costs. However, it is important to note that batteries and inverters are two of the most expensive pieces of solar equipment. Misleading customers by not including these components in the "complete" kit may not be ethical.

?Ready to Install? This Renogy Solar Kit includes the equipment necessary for building a new system, such as necessary cables, Z-brackets, and pre-drilled holes on the back frame of the panel, allowing fast and secure mounting.
