At the end of the day, I'm happy that Lorde is happy, but her easy going vibe created a lack of perfectionism that made her previews albums to become such a gems. The lyrics are pretty good thought. California and Fallen Fruit are good songs. Solar Power definitely was elevated considering the context of the album - it flowed well.

OverviewBackground and recordingWriting and productionArtworkMusic and lyricsSongsRelease and promotionCritical receptionSolar Power is the third studio album by New Zealand singer-songwriter Lorde. It was released on 20 August 2021, by Universal. Inspired by the death of her retriever cross dog Pearl and visit to Antarctica in 2019, the album was written with producer Jack Antonoff to capture solipsism and summer escapism, mainly focused on Lorde's leisure time in her homeland New Zealand, simultaneously expressing her disdain for fame and celebrity culture.
