

Sunrun pay bill

How do I make a Sunrun payment?

It's the best way to ensure your payment is made on time. Sign up for autopay in the Sunrun mobile app or on your computer, and your monthly payments will be automatically deducted from your personal checking, savings account, or credit card. [iOS App](#) | [Android App](#) | [MySunrun](#) 1. Open the Sunrun App on your iOS or Android mobile device 2.

Does Sunrun pay for solar?

The payment you make to Sunrun, whether upfront or on a monthly basis is for your solar. Your utility bill will then be for any extra power that you need that month that the solar system does not produce. How much energy you end up having to buy from your utility depends on the size of your solar system and how much energy you're actually using.

What if Sunrun does not receive payment?

If Sunrun does not receive payment from your credit card provider or bank, you agree to pay all amounts due upon demand, and Sunrun may suspend your access to the Service in addition to any other remedies Sunrun may have under this Agreement or the Solar Power Service Agreement.

No it will only change the contact information for your Sunrun Reward Center account. All other Sunrun systems including billing can be updated by contacting Sunrun Customer Care directly at 855-478-6786 Monday through Friday from 6:00am to 9:00pm PST or email customers@sunrun.

Sunrun customers who pay upfront or finance their system via loan receive a 10-year warranty for product and workmanship, covering any issues caused by a poor installation, such as roof leaks. This coverage length falls below industry standards when looking at top competitors, though the added roof-leak coverage is a rare protection.

Sunrun's BrightSave plans pass down the benefits of rebates, tax incentives, and credits in the form of a low, locked-in bill. Flexible financing options let you pay as you go, or you can receive the lowest possible rate with a prepaid option that eliminates monthly billing from Sunrun. Want more reasons to get a solar lease or PPA?
