"Quilts reflect the times they were made," she said. "If fabric is expensive, you don"t see a lot of quilts, and the quilts that you do see generally don"t have much variety in the number of fabrics used. With few exceptions, the earliest Maine quilts use only a few fabrics, because fabrics were expensive then."

This Slumberdown Wonderful Wool Duvet is filled with 100% British wool. Wool fibres act like a spring, meaning they can continuously resist pressure and flattening and still bounce back, which makes wool a perfect filling for duvets. Wool fibre is incredibly complex and made up of lots of different layers which create pockets that trap air and help to circulate heat, enhancing ...
